ACROSIL PRODUCTS PRIVATE LIMITED

ACROSIL.COM

About Us

Established in 1992 in Mumbai, India, Acrosil Products Private Limited is a leading manufacturer, supplier and exporter of high-quality Rubber and PTFE products. We serve the Engineering, Pharmaceutical, Food and Laboratory industries across global markets.

Our expertise lies in designing and manufacturing customized rubber solutions, including moulded, extruded and hand-built rubber components tailored to specific customer requirements. Our wide product range includes Silicone Rubber Sheets, Gaskets, O-Rings, Bellows, Hoses, Inflatable Seals, Moulded Sieves and PTFE products.

Quality and reliability define our operations. Manufactured in state-of-the-art facilities, every product undergoes stringent quality checks to meet international standards. With a strong focus on innovation, competitive pricing and timely delivery, Acrosil is a trusted partner for long-term growth and engineering excellence.

Why Choose US?

- Customized Manufacturing
- Competitive Pricing
- Prompt Response by Team
- Strong Technical Support
- Customer Centric Solutions
- We Value the Relation more than Business
- 30+ Years of Experience

Industries We Serve

- Engineering
- Pharmaceuticals
- Food and Dairy
- Laboratory
- Chemicals
